

Victoria H. Southgate, PhD

Department of Psychology, University of Copenhagen, Øster Farimagsgade 2A, 1353 København, Denmark.

Email: victoria.southgate@psy.ku.dk, Phone: +45 35 33 43 40, Lab: www.psychology.ku.dk/ecc-en

ACADEMIC ROLES

2018-	Professor of Developmental Cognitive Neuroscience Department of Psychology University of Copenhagen
2017	Professor (conferment of title awarded May 2017) Department of Psychological Sciences Birkbeck, University of London
2015-2017	Associate Professor Department of Psychology University of Copenhagen
2014-2017	Senior Lecturer Department of Psychological Sciences Birkbeck, University of London
2009-2015	Wellcome Trust Research Career Development Fellow Centre for Brain and Cognitive Development Birkbeck, University of London
2004-2009	Postdoctoral Research Fellow Centre for Brain and Cognitive Development Birkbeck, University of London

DEGREES

2005	PhD, Psychology, University of St Andrews, UK
1999	BSc Psychology (Hons), University of Surrey, UK (First Class Honours)

RESEARCH GRANTS

2022	Danish Council for Independent Research (DFR) , Research Project 2 grant for project “Caregiver-infant synchrony and the development of the social brain”. 6.191.290 DKK (~€832,031) (2023-2026) <u>PI</u> .
2021	Carlsberg Foundation Denmark Infrastructure Grant 1.420.822 DKK (€~190,940). (2022-2027) <u>PI</u> .
2021	Danish Council for Independent Research (DFR) , Research Project 1 grant for project “The role of oxytocin in the development of self- and other-representations across infancy”. 2.774.542 DKK (~€373,000) (2021-2024) <u>PI</u> .
2021	4EU+ European University Alliance (co-funded by Erasmus+) education development funding associated with project ‘ <i>Understanding and Supporting Caregiver-Child Interactions</i> ’. Collaboration between the Universities of Copenhagen, Heidelberg, Milan and Warsaw.
2021	Ivan Nielsens Fond funding for oxytocin project 75,000 DKK . <u>PI</u> .
2020	Ivan Nielsens Fond funding for technical support 100,000 DKK . <u>PI</u> .
2018	Marie Curie Fellowship for ToMSelfLink project € 200,194 . <u>Supervisor</u> .
2016	ERC Consolidator Grant for DEVOMIND project € 1,761,190 (2018-2023). <u>PI</u> .
2015	Carlsberg Foundation Denmark Infrastructure Grant. € 134,000 . <u>PI</u> .

- 2015 **Leverhulme Trust** Research Grant for project “A longitudinal investigation of the origins of mimicry” **£ 253,000** (2015 – 2018). [PI](#).
- 2014 **British Academy** Grant for project “Investigating the role of caregiver imitation on infant’s motor cortex activation during the observation of facial actions”. **£9,671** for 1 year. [PI](#).
- 2013 **Wellcome Trust** funding for Wonder Street Fair exhibit, in conjunction with the Barbican Festival of Neuroscience. **£ 1000**
- 2009 **Wellcome Trust Research Career Development Fellowship** for project “The neural bases of action interpretation in human infants” **£ 600,000** (2009 – 2015). [PI](#).

AWARDS AND RECOGNITION (selected)

- 2015 **Mercator Fellow** on DFG (German Research Foundation) Research Grant “Crossing the borders: The interplay of language, cognition and brain in early human development”. 2015-2023
- 2011 Named as a **Rising Star** by the *Association for Psychological Science*
- 2010 *British Psychological Society* **Margaret Donaldson Early Career Prize** for outstanding contributions to developmental psychology
- 2009 Finalist for L’Oreal UK *Women in Science* Fellowship competition

INVITED TALKS

Keynote: Crossing the Borders conference, Potsdam, October 2023
 Decoupling and mentalizing workshop, Collège de France Paris, November 2022
 Robotics, Science and Systems XVIII, New York, July 2022
 Duke University colloquia series, March 2022
Keynote speaker, European Society for Philosophy and Psychology (ESPP), Leipzig, September 2021
 Leiden University colloquia series, April 2021.
 British Association of Neuroscience Festive Symposium, 14th December 2020.
 Invited speaker, International Conference on Infant Studies (ICIS), Glasgow, July 2020 (postponed)
 Department of Psychology, University of Glasgow. 13th November, 2019
 Center for Brain and Cognition, Universitat Pompeu Fabra, Barcelona, Spain. October 1st, 2019
Keynote speaker, Lancaster conference on Infant and Early Childhood Development, August 21-23, 2019
 Department of Psychology, University of Cambridge. April 12th, 2019
 Department of Cognitive Science, Central European University, January 15th, 2019
 Max Planck Symposium on Consciousness, Berlin, 13-14 December, 2018
 Multiple perspectives on group cognition, Gonda Brain Research Center, Bar-Ilan University, Israel, 10-13 December, 2018
 Department of Psychology, University of Birmingham. November 1st, 2018
 CIFAR Early Developmental Neuroscience Catalyst Workshop, Yale University, 11-13th October, 2018
 Crossing the Borders (DFG) workshop, Potsdam, 27-29 September, 2018
 Department of Psychology, Royal Holloway. April 9th, 2018
 Department of Psychology, University of Gothenburg. November 27th, 2017
 Department of Applied Mathematics and Computer Science, Technical University of Denmark, November 9th, 2017
 Cooperative Social Intelligence: Understanding and Acting with Others workshop; CogSci London, July 2017
 Crossing the Borders (DFG) workshop, Gottingen May 8-10th, 2017
 Implicit Theory of Mind Vienna workshop @ ICPS, March 2017
 Workshop on Representing Self and Others, Institut Jean Nicod, Ecole Normale Supérieure, Paris, October 12-13, 2017
 Gothenburg AMBLE International symposium on Reading, Mathematics and the Developing Brain, May 6-10th 2017
 School of Psychology and Neuroscience, University of St Andrews, 9th September 2016
 Laboratoire de Sciences Cognitives et Psycholinguistique, Ecole Normale Supérieure, Paris, 9th June, 2016
 Practical Reasoning and Motor Representation workshop, University of Warwick, UK, 1-3 June 2015
 Social and Developmental Psychology Seminar Series, University of Cambridge, 12th May 2015
 European Society for Philosophy and Psychology, Sicily, Italy, September 2014. Invited symposium organizer

UCL Developmental Sciences Seminar, March 2014
Early Mindreading Conference, Ecole Normale Supérieure, Paris, September 2013
Budapest Conference on Cognitive Development (BCCCD) 2012, Invited Symposium, January 2012
Donders Institute for Brain, Cognition and Behaviour, Radboud University, Nijmegen, November 15th, 2011
Institut Jean Nicod, Paris, Workshop on Early Mind Reading, November 10th, 2011
Ecap7 Workshop, September 4th 2011, Milan, Italy
Max Planck Institute for Evolutionary Anthropology, Leipzig, July 13th, 2011
Max Planck Institute for Human Cognitive and Brain Sciences, Leipzig, July 12th, 2011
Queen Mary University, School of Biological Sciences, 6th May 2011
Sheffield University, Department of Psychology, October 29th, 2010
Keynote Speaker, British Psychological Society Developmental Section, September 15th, 2010
Experimental Psychology Society meeting, Manchester, July 2010
Institute of Cognitive Neuroscience, Autism@icn, May 10th, 2010
University of Maryland, Cognitive Science Colloquium Series, April 29th, 2010
Institut Jean Nicod, Paris, Jean Nicod Colloquium Series, April 16th, 2010
Central European University, Department of Philosophy, Budapest, June 10th, 2009
Celebrating 30 Years: Workshop on Theory of Mind. Nottingham, September 12th, 2008
Institut des Sciences Cognitives, CNRS, Lyon, May 27th 2008
Pragmatics and Social Cognition Conference, UCL, April 25th, 2008
Harvard University, Psychology Department, February 7th, 2008
Rutgers University, Psychology Department, April 5th, 2007

TALKS AT INTERNATIONAL ADVANCED SCHOOLS

UCL-PSL Summer School on Consciousness and Metacognition, 28-30th June, 2023, UCL, London

PhD intensive course “Tracing brain and behavioural changes across the life span: Influence of intrinsic and extrinsic factors and personalized health care”. Danish Research Centre for Magnetic Resonance, Copenhagen University Hospital, January, 2020.

PhD school for DFG consortium grant: “Crossing the borders: The interplay of language, cognition and the brain in early human development”. University of Göttingen, Germany, May 10-12th 2017

Spring School on Social Cognition, Emotion and Joint Action, Ruhr-Universität Bochum, Germany, March 6-10, 2017

International Max Planck Research School (IMPRS NeuroCom), MPI Leipzig, July 4-6, 2016

International Max Planck Research School (IMPRS NeuroCom), ICN, London, July 9-11th, 2014.

Wellcome Trust School on Biology of Social Cognition, Wellcome Trust Genome Campus, Hinxton, Cambridge, UK, July 2013.

EDITORIAL ROLES

- **Associate Editor, *Child Development*, 2020 – current**
- **Associate Editor, *Infancy*, 2018 – 2023**
- **Associate Editor, *Developmental Cognitive Neuroscience*, 2015 – 2020**
- Ad hoc manuscript reviewer for: *BBS, Biology Letters, Brain and Behavior, Brain and Cognition, British Journal of Developmental Psychology, Child Development, Child Development Perspectives, Cognition, Cognitive Development, Current Biology, Current Directions in Psychological Science, Developmental Cognitive Neuroscience, Developmental Psychology, Developmental Science, eLife, Journal of Cognitive Neuroscience, Neuroimage, PLoS One, Proceedings of the National Academy of Sciences, Philosophical Transactions, Psychological Review, Psychological Science, Science, Social Neuroscience, Trends in Cognitive Sciences.*

SERVICE AND COMMITTEES

- Member of UCPH Faculty Board
- Elected board member, International Society for Infant Studies, 2022-2026

- Academy of Finland panel member (*Psychology and Cognitive Neuroscience*)
- Organizer of “Understanding Self and Other” workshop, University of Copenhagen, October 2019
- Organizer: Department of Psychology Colloquia Series, University of Copenhagen
- Examiner for PhDs: Aarhus University (2016), Central European University, Budapest (2017), University of Copenhagen (2019), Universitat Pompeu Fabra, Barcelona (2019), École Normale Supérieure, Paris (2021); École Normale Supérieure (Lyon, 2022); École Normale Supérieure (Paris), Habilitation, 2023.
- Co-organizer of ‘Emerging Social Brain’ Workshop, UCL CDCN and Birkbeck CBCD, October 2011
- Ad hoc grant reviewer for ERC, Leverhulme Trust, National Science Foundation, ESRC, Agence National de la Recherche (ANR, France).

PUBLIC ENGAGEMENT

- Collaboration with *Experimentarium*, Copenhagen’s science centre primarily aimed at children. We have a reciprocal agreement where we both collect data and provide input on how children develop and learn.
- Contributed to Gothenburg AMBLE symposium 2017 on Reading, Mathematics and the Developing Brain, a transdisciplinary consortium bringing psychology and education together, and presented our work on early information seeking to educators.
- Contracted by Doris Kindersley (DK) as a Research Consultant
- Commissioned by Doris Kindersley (DK) as a science writer for *Watch my baby grow* (ISBN: 9781409368007)
- Contracted by Angel Eye Media to appear in two short films about child development
- Interviewed for Observer newspaper (<http://www.theguardian.com/science/2013/dec/08/newborn-babies-more-developed-cognitive-development>)
- Obtained funding and led a team of researchers demonstrating our work at the public science event called Wonder Street Fair held at the Barbican (April 2013)
- Panellist at London Science Museum Dana Centre event (*The Developing Mind*) (October 2011)

CAREER BREAKS

Two periods of maternity leave taken, from August 2009 and January 2013
